

Dear Guests,

for the next few months we have developed a menu including some typical dishes of the Venetian tradition. Dishes will be all prepared with autumn products such as pumpkin, mushrooms and radicchio from Treviso.

The menu à la carte always includes the seafood specialties such as: cod, scampi in sauce, black cuttlefish, clams and fried fish.

The wine list offers a selection of white wines from the Veneto and Friuli regions which perfectly match with the seafood. For the autumn dishes we selected for you and your guests the very finest wines, such as Valpolicella, Chianti, Barolo and Amarone.

Finally we offer a selection of desserts from our recipe book.

Our restaurant is open from 19,30 to 22,00
(closed on Wednesdays)
